## ★★ EQUALITY HALL ★★

### **VOX POPULI, VOX DEI:**

#### **HOW DEMOCRATS ARE FINALLY LISTENING • 11:00 - 12:00**

Vox populi, vox dei: the people's voice is the voice of God. Does that mean Trump is chosen by God? God forbid! Still, there's a lot to learn from the millions of voters who, tired of decades of near-total exclusion, turned to a candidate who refused to play by the rules, and who offered big (but false) dreams as a salve to their suffering. Join representatives of the DNC for the first of several "town halls" that aim to assist in developing a complete new Democratic platform that will reclaim our natural (and original) constituency, and lead Dems to victory in 2018 and beyond.

*Moderators: Andy Bichlbaum & Mike Bonanno*

#### **FATHERHOOD, COMMUNITY, AND OUR CITIES • 12:30 - 1:30**

We're supposed to trust our politicians to give it to us straight. But the headlines are full of evidence of a crisis— whether it's broken families, drugs, gangs, crumbling institutions, or tragic loss of life. What are the symptoms and what is the cause? With this thoughtful and thought-provoking discussion, we can come together and discover unexpected yet real solutions.

*Moderators: Grace Parra & Jennifer Bartels* *Panelists: Jena Friedman, Katie Hopkins, Lizz Winstead*

## ★★ EQUALITY HALL - CONTINUED ★★

*Moderator: Steven Olikara*

*Panelists: Austin Petersen, Rev. Jesse Lee Peterson, Rep. Karen Bass, Shermichael Singleton, Vann Newkirk*

### **LGBTQ IN THE 21ST CENTURY • 5:00 - 6:00**

The LGBTQ community has made huge strides in recent years— breaking out to become a vibrant part of American culture and politics, and oftentimes leading the way. But the law is behind the times, and equality and acceptance can't wait another day! How does the political climate look, and what needs to be done to make equality happen now?

*Moderator: Melissa Goodman (ACLU)* *Panelists: Alex Mohajer, Clay Aiken, Guy Benson, Matthew Craffey, Terra Russell Slavin Esq.*

### **ASIAN AMERICAN PACIFIC ISLANDERS:**

#### **CRUCIAL VOTE IN SWING STATES • 6:30 - 7:30**

Asian Americans could make up the margin of victory in almost every swing state, and they have more business and consumer economic power than any other minority group. But what are their politics? And why are no politicians trying to court them? This panel looks at how to reach these enigmatic voters.

*Moderator: Richard Lui* *Panelists: Bill Wong, Hon. Judy Chu, Lou Diamond Phillips, Steven Olikara*

CAUGHT BETWEEN  
THE REGRESSIVE LEFT...

...AND THE ALT-RIGHT

EITHER WAY,  
PROGRESSIVE  
MUSLIMS LOSE

"This is NOT Islam!"

**THIS IS A COP OUT!**

Muslims need to debate the Islamic doctrines that extremists use to justify their violence and bigotry.

Criticism of Islam is "ISLAMOPHOBIA"

THIS SILENCES DISSENT AND CRITICAL THINKING.

**PROGRESSIVE MUSLIMS WHO SUPPORT CHANGE ARE SIDELINED**

-- by partnering with ANY Muslim, even misogynistic, homophobic ones out of fear/hate of conservatives.

When having someone that "looks" Muslim in photo-ops is more important than values.

**PROGRESSIVE MUSLIMS WHO CHALLENGE MISOGYNISTIC AND HOMOPHOBIC VALUES ARE THROWN UNDER THE BUS.**

**Progressive Muslims hardly get financial support from Left-leaning institutions at home or abroad unless they wear a hijab and play victimhood of the Political Right.**

*By pretending to fight terrorism but **funding and selling arms** to the very governments who created radical Muslims; these radicals jail or kill gays, as well as liberal Muslims who demand basic rights, freedoms, and fight apostasy and blasphemy laws.*

**UNIVERSAL HUMAN RIGHTS ARE ABANDONED.**

**"WHERE ARE THE MODERATE MUSLIMS?"** they ask after every terrorist attack, yet no airtime is given on liberal media outlets to Muslim human rights activists who risk **EVERYTHING.**

"THIS IS ISLAM!"

This pushes Muslims into the same category as ISIS and other extremists that the actual Muslim does NOT relate to.

**BY PROMOTING THE ISLAMIST NARRATIVE AS**

**"TRUTH"**

**TO JUSTIFY THEIR OWN PREJUDICES AGAINST MUSLIMS.**

**PROGRESSIVE MUSLIMS WHO SUPPORT CHANGE ARE SIDELINED**

-- by preferring to support ex-Muslims and anti-Islam haters who demonize the religion to win elections.

Progressive Muslims do not get financial support from Conservative institutions at home or abroad unless they trash the Political Left.

**BY PRETENDING THAT PROGRESSIVE MUSLIMS DO NOT EXIST.**

**UNIVERSAL HUMAN RIGHTS ARE ABANDONED.**

Dictators in the Muslim world jail, torture and kill progressive Muslims.

**BY EQUATING ALL MUSLIMS AS ISLAMISTS & POTENTIAL TERRORISTS.**

*By pretending to fight terrorism but **funding and selling arms** to the very governments who created radical Muslims; these radicals jail or kill gays, as well as liberal Muslims who demand basic rights, freedoms, and fight apostasy and blasphemy laws.*

**"WHERE ARE THE MODERATE MUSLIMS?"**

they ask after every terrorist attack, yet no airtime is given on conservative media outlets to Muslim human rights activists who risk **EVERYTHING.**

MUSLIMS FOR PROGRESSIVE VALUES IS THE COUNTER-NARRATIVE TO RADICALISM AND INTOLERANCE.

## ★★ LIBERTY HALL - CONTINUED ★★

### BLACK LIVES MATTER: RIGHTS & RESISTANCE • 3:00 - 4:00

Social change doesn't come easy, and though progress has been made, on issues from race, to immigrant rights, LGBT issues, and more, the status quo must go. ### TRUMP AND THE GIANT IMPEACHMENT • 12:30 - 1:30

When the people's confidence in the President has been rattled, impeachment can serve two functions. It gives the people a chance to find out the truth, or as in the case of Bill Clinton, it gives a president under siege the opportunity to face the accusers and move forward for the sake of the country.
